1. TABLET ROLL OUT

The school has issued forms yesterday; we thank all parents who returned the forms. Signing does not mean that you have received the tablet. Reason for issuing the forms in advance is for insurance purposes. Parents can take a picture to prove that they have not received the tablets. Currently the tablets have been insured as a stock in the service provider's storage, once they leave the service provider the school takes the risk and if we lose the tablets before the insurance kicks in, such tablets will not be replaced meaning that parents will have to pay. We are avoiding such circumstances. Signing the form means the tablets are insured individually according to the address given on the form. We kindly request parents to sign the forms and return them to school. Tablets will be issued on Saturday (7th September 2019). We ask parents to trust us as they trust us with their children. We apologise if this does not make business sense to parents however it is for the good of all of us.

All learners should come to school on Saturday the 7th of September 2019, as it will be a normal school day. Learners will receive a lecture on the new innovation and parents are encouraged to come to school as well to assist us as well as for them to understand their role in assisting learners at home with the new innovation.

NB: PLEASE DO NOT FILL IN THE SECTION WHERE THE TABLET DETAILS ARE NEEDED AS THEY WILL ONLY BE COMPLETED BY THE SERVICE PROVIDER AS THEY CONFIGURE TABLETS INDIVIDUALLY . KINDLY FILL IN PERSONAL DETAILS OF LEARNER AND PARENT/ GUARDIAN AND SIGN.

2. TABLET PAYMENT RECORD

All parents who paid for the tablet and did not use the reference with the word Tablet, should come to school or send evidence to school to correct allocations of funds as they are allocated under school fees.

3. EXCURSION REMINDER.

LEARNERS ARE GOING ON TOUR NEXT WEEK.
COST IS R320.

Yours in Education and Nation building

Mr. M.J. Sithi
Principal
