The SGB, Principal and Staff of Princess Primary School wishes all the parents a blessed & happy Easter holiday. Easter is all about THE GREAT SACRIFICE. What sacrifice are doing for your child's education? What sacrifice are you doing for your child's future? Princess Primary School staff members have laid down their time & expertise to champion the lives of all our learners. Those learners who are struggling to attain excellent academic results. We have rolled out extra classes at no cost to parents. Parents are failing to make their children available to attend these classes. Let's work together and never postpone the future of the African child. To all parents who are going away on holiday, we wish you a safe passage and we also wish all our learners a very safe and restful holiday. Please come back and display RESPECT for all your peers, teachers and other staff members at school. Come back with full energy to excel in your academics, your teachers are ready to teach you. Are you ready to learn, work hard and excel?

You are born to succeed, engineered to excel and wired to win! Go for it Princes and Princesses.
